#### TYLER SHUTS OUT GIANTS ON OWN DAY

BOSTON, Eept. 30.—This was "Tyler day" at the local National league park, and "Lefty" George Tyler shut out New York, 8 to 0, in Boston's final game of the season with the Giants. The league champions again presented a team of many substitutes and their hitting was weak.

In honor of Tyler a delegation came from Derry, N. H., his home, and Mayor Fairbanks of Derry presented Tyler with a silver loving cup and \$100 in gold. The pitcher's teammates gave him a chest of silver and Manager Gray of the Lowell club, under whose direction ha broke into

Kills Bear With .22.

MOUNT PLEASANT, Sept. 30.—Killing a big black bear with a .22-caliber target rifle was the unusual feat of P. H. Cambron, a sheepherder for S. E. Jensen of this city. The animal was met by Cambron while the latter was coming down a trail on the mountainside, and at a distance of twenty-five yeards a shot from the rifle in the young man's hands brought it down. ## STRONG BOYS MEET IN PRELIMINARIES

Curtain Raisers for Hansen-George Match Arranged; Principals on Time.

Yesterday was tryout day at the trainng quarters of "Kid" George and Vic Hansen at the gymnasium, 48 East Secand South, and several hundred boxing fans were on hand to see the fun. After all the boys had been tried out.

onny Tucker, the crack featherweight

George and Hansen put in another hard day's work with their sparring partners and are rapidly rounding into tip-top shape. George was out on the road for a five-mile run vesterday morning and went through ten fast rounds with the gloves in the afternoon. He is already around the 160-pound mark and a few more days will put him in condition to put up the battle of his life. George said vesterday that he would rather win Friday's bout at Saltair than beat the middleweight champion of the world, as the last time he met Hansen he was awarded the loser's end after twenty rounds of milling, which, he says, was all in his favor. He was boxing in Hansen's home town and it was impossible to beat Hansen there unless he knocked him out, and even then it was an even bet that the referee would give it to Hansen on a foul, he contend.

tended.

Hansen is also nearing the perfection point in condition and says by the time they step into the ring Friday night he will be in condition to put up the battle of his career and that he will demonstrate to George and the general public that he is George's master at the boxing game and that he will beat him so decisively that there will not even be a doubt as to who is the better man.

Hansen has boxed a twenty-round draw with "Gunboat" Smith, recognized today as probably the best heavyweight among the white men.

The time for the three heats was 2:21½, 2:17½ and 2:20½.

The third race was a five-eighths mile

Lonny Tucker, the crack featherweight from Kansas, who has made such a hit with the regulars at the training quarters, was matched with Frankie Martin, the Fort Douglas champion. Tucker will be giving away several pounds in this bout, but he is a classy little fellow and will give Martin a tough time.

"Kid Mex," a new arrival, will meet Patty Mechan, also of Fort Douglas, in the other preliminary. These boys are lightweights.
